ORGANIC ACT IS OVERRIDDEN

Yesterday afternoon the Senate unanimously adopted the House resolution protesting against the enactment of a prohibitory liquor law for Hawaii by Congress, on the ground that it would be an interference with self-government.

By a vote of seven to six the Senate passed Harvey's concurrent resolution repealing the government to make no more sales or exchanges of public lands until Congress amends the Organic Act.

Baker raised the point that it would make a clash between the legislative and the executive, reminding the Senate that the Organic Act gave the disposal of lands to the local executive.

Makekau made an able speech on the same line as Baker, contending that the resolution would be worthless if passed in that it was contrary to the Organic Act. He said that although a Home Ruler he supported and trusted the Governor because the Governor was trying to give homesteads to the people.

The vote passing the resolution was as follows:
Ayes—Brown, Chillingworth, Coelho, Harvey, McCarthy, Quinn, Robinson—7.

Noes—Baker, Kalama, Knudsen, Makekau, Smith, Woods—6.

What Bengough the great does he does well. Make no mistake about this point for he is an exceptionally good cartoonist taking his subjects from the streets and public places, and he is said to be one of the best story tellers on the stage. He is never tiresome, always clever and with a fund of anecdotes that seem always fresh.

His appearance here will be hailed with delight by everyone who has ever lived north of 45 degree for Bengough to the Canadians is as well known as Sir Wilfred Laurier. He is a factor in many elections and has made and unmade governments. His songs are never old and he renders them well.

Bengough will prove himself a genuine treat to the people of Honolulu because they have never had anyone like him. He is in a class by himself. Seats are selling very fast and if you have an idea of going to the entertainment get a seat today. They are on sale at Bergstroms.

"The Elevator To Success Is Not Running--- Take The Stairs"

If you have been waiting for a rich uncle to get jerked hence and leave you a big fortune, give it up. He may live twenty years more.

If you thought that the way to make money was to save for several years and then buy a big city block, give it up. City blocks are hard to get, and you will lose the worth of two or three of them while you are waiting and saving.

If You Want to Save Money and Make Money Take the Common Sense Method

HERE ARE THE RULES:

- (1) Buy a place you know is good and has promise of growing better all the time.
- (2) Take something easy that you know that you can handle. Don't attempt big things until you have successfully handled smaller ones.
- (3) Buy close home where you can see what you have and keep your eye on it.
- (4) Buy for future advance rather than present worth. Get something that in all reason ought to be better next year.
- (5) Take on all you can possibly handle. If you have enough to pay down on one lot, take three instead and pay part on each. The all-cash method is too slow for good money-making.
- (6) Act at once. Don't let grass grow under your feet. Delays never pay dividends.
- (7) Undeveloped property always pays bigger than developed property.

If you make an investment in the KAIMUKI NEW OCEAN VIEW DISTRICT, your savings will have a splendid opportunity to grow with the city.

If you have any doubt about the city growing, think about the new buildings to be erected soon, including the Federal building and a \$150,000 Y. M. C. A. building, the millions of dollars to be spent by the U. S. Government for military and naval improvements, the increasing millions of our agricultural and other products, the assured advantages to be derived from the Panama universally recognized as the best and a few other delightful and healthful climate is being universally recognized as the best, and a few other things that makes it easy for us to understand why Honolulu has the most promising future that ever confronted an American city.

Invest your savings at home where they will grow. The size of our lots in the Kaimuki New Ocean View District are 11,250 sq. ft. each, and our prices are \$500.00 for corner lots and \$400.00 for inside lots with liberal installment terms.
